Grab The Reins Of A Quarter Horse Today!

The First Laser Disc Game In The World!

Yes, you read it right "The first Laser Disc Game in the world". Electro-Sport has been manufacturing laser disc amusement games since 1981 and we continue to use this advanced technology in our new Salon Quarter Horse video game. What does this mean to you, the purchaser of an Electro-Sport Quarter Horse game? It means security, service and satisfaction. We've been building them stronger, servicing them longer, and are more knowledgeable about the Laser Disc player than any other video game manufacturer. In fact, the co-creator of the CLV format Laser Disc is an Electro-Sport Engineer. When you purchase a Quarter Horse game, rest assured you'll receive quality, dependability, integrity, and the security of doing business with the long established firm of Electro-Sport Inc.

DISTRIBUTED BY

Imagine installing a real racetrack in your amusement area. Live horses, live odds, live action. Electro-Sport does just that and more with it's new Quarter Horse machine. Actual Quarter Horse races, live cheering crowd, stride by stride excitement added by the voice of the track announcer. Include the random Double Odds, and you have by far the most exciting, the most advanced, the most entertaining video amusement machine in America.
